## BUILDING/HOUSE SEWER SURVEY REMINDER NOTICE

Dear Resident:

The Metropolitan District Commission (MDC) would like to remind Wethersfield residents that we are still continuing efforts to improve the sanitary sewer system in your area. This will be done through the District's Building Inspection Program.

The purpose of this program is to identify the sources and amounts of excess storm water that enters the sanitary sewer system, with the ultimate goal of eliminating sanitary sewer backups and overflows.

**The MDC's consultant, Weston and Sampson, will conduct voluntary building inspections between the hours of 9AM to 5PM, Monday through Friday during the month of April, 2010. Additional inspections are also scheduled for Saturday, April 17<sup>th</sup> and Saturday, April 24<sup>th</sup> from 9AM to 5PM.** The inspection should last 10 – 15 minutes.

**If you would like to make an appointment for a building inspection at a specific time, please contact Weston & Sampson at 1-800-726-7766, extension 2007.** Please leave a message with your name, address, telephone number and preferred time(s). Please note that if you do not make an appointment, Weston & Sampson will still attempt to visit your property during the times listed above.

For more information please visit our website at [www.themdc.com](http://www.themdc.com) or call Greg Robertson, Special Services Administrator at 860-209-9357. Thank you for your cooperation in this effort to provide you with quality sanitary sewer service.

Sincerely,

**THE METROPOLITAN DISTRICT**

Neil H. Amwake, P.E.  
Principle Engineer
