**CUSTOMER ADVISORY
WATER MAIN BREAK IN SOUTH WINDSOR AFFECTS OVER 600 PROPERTIES**

For Immediate Release
August 29, 2011

(HARTFORD, CT) – The Metropolitan District MDC is advising customers of a 16 inch water main break at the intersection of Route 291 and Route 5 in South Windsor. Customers affected by the shutdown are being temporarily serviced from a smaller, nearby water main, but may experience loss of water service or low water pressure or during this time. Repair crews are on site and the repair is expected to be complete by noon today.

Additional information and updates are located on the website: www.themdc.com.

About the MDC: *The MDC is a nonprofit municipal corporation chartered by the Connecticut General Assembly in 1929. The MDC provides water, sewer and household hazardous waste collection services to its member municipalities: Bloomfield, East Hartford, Hartford, Newington, Rocky Hill, West Hartford, Wethersfield and Windsor. In addition, under a series of special agreements, the District supplies treated water to Glastonbury, the southern portion of South Windsor, the eastern portion of Farmington, East Granby and Unionville.*
