Dear Owner/Resident:

The Metropolitan District (MDC) and their consultant Tighe & Bond will be working in your neighborhood to prepare for the new sewer improvements proposed under the Clean Water Project. The initial work will include surveying current external and internal plumbing connections to the sewer system.

Please join us on Wednesday, March 2, 2011 at 6:30 PM at the Oak Hill School for the Blind (Auditorium), 120 Holcomb Street, Hartford for a project presentation and light refreshments.

You will have an opportunity to meet the project manager and consultants, view the project schedule and learn more about the work planned in your neighborhood.

We encourage you to attend. We value your input and would like to provide you with an opportunity to share your thoughts and concerns.
