MDC'S RESERVOIR 6 & WEST HARTFORD RESERVOIR CLOSED TO THE PUBLIC

West Hartford Reservoir & Reservoir 6 closed effective October 31 until further notice

For Immediate Release
October 31, 2011

(HARTFORD, CT) – The Metropolitan District's (MDC's) West Hartford Reservoir, located at 1420 Farmington Avenue in West Hartford and Reservoir #6, located off Route 44/Albany Avenue in Bloomfield will be closed effective Monday, October 31 due to heavy tree damage.

As MDC crews work to clear the reservoir area of tree damage, they will continue to monitor the condition of the reservoir and reopen as warranted. While the MDC regrets any inconvenience, this action is necessary to ensure the safety and security of all of our recreational users.

For more information, visit the MDC website at www.themdc.com.

About the MDC: *The MDC is a nonprofit municipal corporation chartered by the Connecticut General Assembly in 1929. The MDC provides water, sewer and household hazardous waste collection services to its member municipalities: Bloomfield, East Hartford, Hartford, Newington, Rocky Hill, West Hartford, Wethersfield and Windsor. In addition, under a series of special agreements, the District supplies treated water to Glastonbury, the southern portion of South Windsor, the eastern portion of Farmington, East Granby and Unionville.*
